

Chastain

VETERINARY MEDICAL GROUP

Free First Exam for New Patients

This coupon is good for one free exam for new patients. Both new and existing clients are eligible, as long as the pet is new to a Chastain Vet Hospital.

Note that while the exam is free, any tests, treatments or medications will be charged at regular price. We're sorry; this offer cannot be combined with any other offer. This offer is not applicable to pet boarding, grooming, medication, and retail items.
